Habitat Happenings - February 2016

There is a lot of Habitat activity early this year - it's build time, we have staff additions, we are soliciting applications for partner families for our new house, we have a wish list...there are so many places your help would be appreciated. But first, let us tell you what's happening at Habitat. For continuous updates, go to our website at UlsterHabitat.org, where you will find links to our FaceBook news page, our ReStore page, and more.

You are always welcome to stop in or call the Affiliate: (845) 340-0907 Hours: Wed-Fri 10-3, or the ReStore: (845) 853-7499 Hours: Wed-Sat 10-5.

Christine Brady LaValle, Executive Director

Meet Kristal Karash

Kristal started in January as our new AmeriCorps-sponsored Family Support Services Coordinator. She will help current and prospective partner families with guidance and advocacy. Kristal is a graduate of Cazenovia College, and a local resident.

It's hammer time!

Now that our new home has been framed, roofed and sided, we are getting ready to put volunteers to work on indoor finishes. No experience is necessary (but you will need to register as a volunteer ahead of time). If you'd like to help build, please call the office.

4-6 Month Position Available

We have an additional AmeriCorps position for 2016. We need a Community Outreach Coordinator or Volunteer Coordinator. The full-time position is funded by AmeriCorps, and pays a stipend. Interested? Contact the Affiliate Office at 845.340.0907 x101 for more information.

Wish List

Our large truck is expensive to run when picking up smaller donations. Do you have a small truck you want to donate? You get our thanks (and a tax deduction), and we reduce our donation pickup costs so that more of our funding goes to support programs.

A Habitat Success Story

Read about Deshaun Watson, 2015 Heisman Trophy candidate, Habitat Partner Family member and Habitat Volunteer. Find an ESPN story link on our website.

Visit the web site to see personal statements from our local Habitat volunteers. We are Habitat! You can be, too!

Your donations are always welcome, appreciated, and put to good use.

More news...

Steve Burnham joined us as our new construction manager in the fall.
